**REQUEST FOR RECONSIDERATION OF
PETITION UNDER 37 CFR 1.47(a)**

Dear Sir:

This request for reconsideration is being filed in response to the decision refusing status under 37 CFR 1.47(a) mailed March 18, 2005. A Petition for a Four Month Extension of Time to Respond to the decision of March 18, 2005 accompanies this request for reconsideration, along with Form PTO-2038 authorizing credit card payment of the Four Month Extension Fees in the amount of \$1590.00.

In the decision of March 18, 2005, the Office of Petitions indicated that the pending petition did not satisfy items (2) and (4) of 37 CFR. 1.47(a).

Item (2) indicated that the declaration did not contain the mailing address and residence of inventor Fussell. Enclosed herein is a signed declaration of co-inventor Richard Leland which includes the mailing address and residence of inventor Fussell.

Item (4) indicated that applicant had not included a statement regarding Fussell's last known address. The undersigned herein on behalf of applicant notes that Mr. Fussell's last known address was 1200 Cavalier Blvd., Chesapeake, Virginia 23323. The Office of Petitions may also note that in the Petition filed July 12, 2004, correspondence including copies of the application had been sent to such address, via Federal Express, and that the Federal Express tracking receipt confirmed such delivery to Mr. Fussell in Chesapeake, Virginia.

The Office of Petitions indicated on March 18, 2005 that all requirement of 37 CFR 1.47(a) had been met, except for items (2) and (4) of such regulation. It is believed that based upon the above, all requirements of 37 CFR 1.47(a) have now been satisfied and that the present application be accepted for prosecution on the merits without the signature of Gary Fussell.

It is not believed that there are any additional fees associated with this petition; however, in the event there any fees are payable, please charge them to our Deposit Account No. 50-2121.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Steven J. Grossman', is written over a horizontal line.
